

The International Network for Environmental Management (INEM) and the national project partners cordially invite you to the ALLIES Mid-term conference 2019

in Prague, June 6-7, 2019.

The first day is a project internal meeting and an official meeting of the Advisory and Dissemination Board. The second day is a dissemination event with high-level keynote speeches and interactive exchange. Both days are public, but the wider audience is encouraged to participate on day two. We expect 20 and 50 people respectively.

The event will take place at the [Hungarian Prague Institute](#) by the courtesy of the Hungarian Ambassador to the Czech Republic.

Participation is free but conditional to registration. We reserved a limited number of reasonable rooms at the [Hotel Adeba](#), at the first-come-first-serve basis.
